President's Message

David Legaz
2021 NYSAR President

Dear colleague,

Welcome to the NYSAR family and thank you for your NYSAR membership. Our theme for 2021 is REALTOR® Safety. As a proud former member of the New York City Police Department, I know all too well the pitfalls that can happen - especially to REALTORS®.

As your 2021 NYSAR president, my goal is for every member to realize and practice REALTOR® Safety. As a graduate of the 2019 National Association of REALTORS® (NAR) Leadership Academy, I petitioned to create a REALTOR® Safety Advisory Committee and was honored to be appointed its first chairperson for 2020.

During 2021, NYSAR will be producing a series of REALTOR® Safety video tips that we will feature across our social media channels and on our website, nysar.com. I hope everyone will have the chance to watch them.

I, along with my 2021 Leadership Team, are eager to travel the great state of New York, if we are able, and meet as many of our 60,000 members as possible. I look forward to a rewarding 2021 and as always, be safe!

GET INVOLVED

NYSAR is your state association and we thrive because of you. No matter your role in real estate or how long you've been a member, we encourage you to get involved by participating in our events and joining our committees.

Business Meetings

As part of our governance structure, nearly 30 committees, working groups and forums composed of REALTORS® from across the state meet twice a year at the **NYSAR Mid-Winter and Fall Business Meetings**. The committees examine issues affecting all aspects of the real estate business and formulate policies to be considered by the NYSAR Board of Directors. Attendees find the Business Meetings to be a great opportunity to better understand what NYSAR does, take an active role in the association and network with peers.

NYSAR Committee Sign-up Month

Sign-up online each July to participate in the committees of interest to you and make your voice heard. Committees range from professional standards and legislative policy to housing opportunities, education, communications, marketing, technology and more.

Triple Play REALTOR® Convention & Trade Expo

Assess your business and strategize new goals every year at Triple Play - your regional **REALTOR® Convention and Trade Expo**. Hosted every December in Atlantic City, NJ, this event brings you a vast array of industry experts, more than 100 educational sessions, over 15 hours of free CE credit, an expansive trade expo, and a variety of networking opportunities - all for less than \$100*. It is sure to provide both an immediate and long-term positive impact on your career! Visit REALTORSTriplePlay.com.

REALTOR® Lobby Day

Meet face-to-face with your state legislators to help advance the REALTOR® agenda and protect your business interests. This event takes place in Albany at the Empire State Plaza.

*When you register online during the early-bird period.

REALTOR® ADVOCACY

While you are working hard for your clients, we are boldly championing your interests at the State Capitol and Capitol Hill in Washington D.C. in an effort to secure and protect REALTORS® and the real estate industry as a whole.

The REALTOR® Political Action Committee* (RPAC) plays a key role in safe-guarding REALTOR® interests by educating and supporting lawmakers who defend the real estate industry. **As a result of our advocacy efforts and your RPAC investments, NYSAR was able to enact and defeat the following proposals:**

Enacted Laws

- 2-percent Property Tax Cap
- STAR Property Tax Relief
- Prohibition on private transfer fees
- Mortgage Forgiveness Debt Relief Act
- Continuing education expansion
- **Coronavirus Aid Relief and Economic Security (CARES) Act:**
A historic expansion of unemployment insurance for the self-employed and independent contractors.

\$350 billion for the Small Business Administration loan program to be used toward mortgage interest, rents, utilities & payroll costs.

Defeated Proposals

- Residential fire sprinkler mandate
- Prohibition on broker-prepared contracts
- Statewide closing cost increases
- 20% down payment mandate
- Reclassifying independent contractors as employees
- Good cause eviction legislation which included a statewide rent control provision

How Do I Contribute to RPAC?

Visit the Government Affairs section at [NYSAR.com](https://www.nysar.com) and contribute with the click of a button. You can also participate in fundraisers held at the NYSAR Business Meetings, Triple Play or at your local board/association.

What's Next?

In 2021, NYSAR's legislative priorities will include opposition to the expansion of rent regulations, "good-cause" eviction, and a "flip tax" proposal for all New York City residential real estate. NYSAR will also be supporting the preservation of the independent contractor status for real estate licensees and increased transparency in the purchase of co-operative apartments.

*Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS®, the New York State Association of REALTORS® or any of its local boards or associations will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your NYSAR PAC reaches its PAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after NYSAR PAC reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.

EDUCATION

FAQS

What are my education requirements?

The Education requirements for license renewal have changed. Real estate licensees whose licenses expire before July 1, 2021, must complete at least 22.5 hours of continuing education (CE) credit including three hours of fair housing and one hour of agency (two hours if you're in your first license cycle). REALTORS® must also take an approved Code of Ethics course every three years.

All licensees whose licenses expire on or after July 1, 2021, are required to take 22.5 hours of CE credit including: three hours of fair housing, one hour of agency (2 hours in the first license cycle), two and a half hours of ethical business practices and one hour of recent legal matters. Brokers who were previously exempt from earning CE credit will no longer be exempt when they renew their licenses on or after July 1, 2021.

NOTE: Licensees may not renew early to avoid the education obligation.
