**Sylvia Ryndock**  
**Vice Chair**

Over 200 members joined us for FBI Supervisory Special Agent Samantha Baltzersen's cybersecurity presentation entitled "Cyber Threats & You." It was eye-opening, very informative and sometimes frightening. Ms. Baltzersen discussed the Dark Web, Cryptocurrency & Malware applications, Watering Hole attacks, SIM swapping, email compromise and more. I am sure many in the audience changed settings on their phone while sitting there!

With no other business to discuss, the meeting was adjourned.
