Our Safety Forum welcomed retired NYS Trooper Arno Lippassaar to present, “Your Family Needs you...The Mindset of Personal Safety.” It was a presentation focusing on situational awareness, personal safety practices, and traditional, and non-traditional items that can keep you safe. Arno demonstrated – not on anyone – different items that are available to keep people safe, including tasers, electric stun mechanisms, loud noise alerting keychains and more. It was a great and lively discussion about safety and other REALTORS personal experiences.

With no other business to discuss, the meeting was adjourned.
