**Ifoma Pierre**  
**Vice Chair**

The Faculty Development Sub-Committee, led by Chair Nancy Mosca and Vice-Chair Ifoma Pierre, met virtually on January 24, 2025. The September 18, 2024, meeting report was approved.

In 2024, both courses and faculty received a 99% excellent or above-average rating, with total enrollment at 5,677.

Key updates included:

- A Train-the-Trainer Program with Jeremias “JMan” Maneiro on May 22, 2025, focusing on technology and AI in real estate education.
- A CE class on combatting Sexual Harassment, planned for release by June 2025.
- Launch of a new online scholarship application, expected in the coming weeks.

A call was made for faculty assistance in updating and revising GRI courses, beginning with GRI-2, GRI-8, and GRI-5 in May 2025.

During open discussion, suggestions for improving the educational experience for both members and faculty included:

- Creating a Zoom Best Practices Video to reduce class disruptions.
- Updating the current Zoom Quick Reference Guide to better align with platform changes.
- Establishing a faculty forum to share best practices and ideas.

Business concluded and the meeting was adjourned.
