Legal Action Committee Report

Virtual Zoom Meeting
Start time: 1:00 pm

Chair

Liz Trego
Vice Chair

The Legal Action Committee reviewed the financials and current legal matters supported by NYSAR. NYSAR counsel mentioned we still need a handful of plaintiffs for the NYSAR v State of New York cold calling case.

The committee approved a request for additional funding up to $50,000 in the NYSAR/REBNY v. NYC lawsuit challenging the FARE Act. These additional funds are needed as the cost of the appeal before the 2nd Circuit Court of Appeals came in over the original estimate.

NYSAR counsel provided a Legal Department update. The amount of Legal Hotline calls has been steady.

Any actions that come up throughout the year will be handled by calling emergency meetings of the committee.

With no further business, the meeting was adjourned.
