Supporting *NY REALTORS®*

Your future in real estate is directly tied to the power of RPAC.* ***Invest today.***

While you are working hard for your clients, we are boldly championing your interests at the State Capitol and Capitol Hill in Washington D.C. in an effort to secure and protect REALTORS® and the real estate industry.

NYSAR and the REALTOR® Political Action Committee* (RPAC) play a key role in safe-guarding REALTOR® interests by educating and supporting lawmakers who defend the real estate industry. As a result of our combined advocacy efforts and your RPAC investments, NYSAR was able to enact and defeat the following proposals:

Visit the Government Affairs section at NYSAR.com and contribute with the click of a button. You can also participate in fundraisers held at the NYSAR Business Meetings, Triple Play or at your local board/association.

*Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS®, the New York State Association of REALTORS® or any of its local boards or associations will not favor or disfavor any member because of the amount contributed. 70% of each contribution is aused by your state PAC to support state and local political candidates. Why is Continuing Education important as a REALTOR®?

Continuing Education and pursuing designations and certifications in real estate are essential steps for professionals seeking to elevate their careers and financial success. Regulations and laws, including required disclosures are always changing. Stay up-to-date to maintain licensure, mitigate potential lawsuits and better serve clients and consumers looking for specialized knowledge. Discover what you don't know through coursework that will keep you current on industry trends.

Why take courses with NYSAR?

Designations and certifications awarded by the National Association of REALTORS® (NAR) and its affiliated Institutes, Societies, and Councils signify a higher level of expertise in specific real estate sectors, providing a competitive edge in the market. NYSAR offers you the ability to earn valuable NY CE credit for NAR designations and certifications while expanding your knowledge and your market share through the benefits these credentials provide, including online networking opportunities, designation directories, marketing support and more.

Take advantage of, and learn about, the wide variety of programs and courses offered by NYSAR's Education Department to increase your expertise, professionalism, and skills at www.nysar.com/education. An investment in education is an investment in your bottom line.

FAQS

What are my education requirements?

All real estate licensees must complete at least 22.5 hours of continuing education (CE) credit. REALTORS® must also take an approved Code of Ethics course every three years, as well as Fair Housing as now required by NAR.

Included in the mandated NYS 22.5 hours of CE credit for license renewal are the following: three hours of fair housing, one hour of agency (two hours in the first license cycle), two and a half hours of ethical business practices, one hour of recent legal matters, two hours of Implicit Bias and two hours of Cultural Competency. **Brokers who were previously exempt from earning CE credit are no longer exempt when they renew their licenses.**

Is there financial assistance available?

Please visit the New York State Real Estate Education Foundation at NYSREEF.org to learn how to apply for a free designation or certification course scholarship. Applicants must hold primary REALTOR® membership in NYS and be licensed at least one year. Scholarships are awarded twice per year with deadlines of July 31 and December 31.

Looking for CE for online designations/certifications?

NAR online designation/certification courses no longer offer New York continuing education (CE) credit hours. **NAR designation and certification courses taken live on Zoom through NYSAR are approved for New York CE and can be applied toward your license renewal requirements.**

A seasoned REALTOR®? Call NYSAR at (518) 463-0300 x219 to discuss testing out and transfer credit options.
